

# Ohio Ridge Riders Club Newsletter March 2026

[www.ohioridgeriders.com](http://www.ohioridgeriders.com)

The March 2026 meeting was held on Thursday March 5, 2026 with 10 members present.

Trail Report: All trails are open with the exception of C4G. C4G has been closed by the landowner due to a disrespectful snowmobiler that argued with the landowner when they were asked to slow down. Hopefully we can get this trail reopened for next season. The forecast is not looking favorable going forward. It is currently 38 degrees and raining. Much warmer temperatures forecast for next week and then cooling off again. If you do ride, be aware that there may be some icy areas, washouts and water holes, so be careful. C4H from South Lake to the Mad Tom Junction is open. As is C4 to Jerseyfield and Salisbury.

The club would like to thank Mr. Tom Finn for his very generous donation to the club. We appreciate the support!

Grooming C4B last Sunday morning.

The volunteers that take care of the trails have put in countless hours this winter. While we are out there we appreciate the thumbs up and the thanks and compliments that we have received.

On February 21<sup>st</sup>, seven hard working volunteers brushed C4H from Cement Bridge to South Lake. We cannot thank them enough.

If you do any kind of trail maintenance, please be sure to let the Trail Coordinator know so we can put the time towards our maintenance grant for reimbursement. E-mail the trail coordinator at: [orrctrailcoordinator@gmail.com](mailto:orrctrailcoordinator@gmail.com).

This has been the best season we have had in a number of years with the earliest start date. Hopefully it is not coming to a close.

The next meeting will be Thursday April 2, 2026 at the Ohio Recreation Hall at 140 Nellis Road at 6:30 PM.
